

How does my child access their feedback and marking?

1. Login to Purple Mash from the school website (see other 'How to Guide' if unsure)
2. Click on the red **2Dos** button.

The screenshot shows the Purple Mash interface with a purple header bar containing navigation buttons: Home, 2Dos, Work, Sharing, Alerts, and Rewards. A search bar is on the right. Below the header, three activity cards are displayed, each with a green background and a UK map icon. The first card is titled 'UK Capital Cities' and includes the question: 'Can you place the capital cities in the right places? Is Belfast in Scotland or Northern Ireland? Where is Cardiff? What is the capital of England?'. It shows a student's submission with feedback: 'I have finished!', 'Almost there Please give this another try, you can do it 😊', and 'I have finished!'. The final feedback is 'Great resilience shower You have identified all of the capital cities 🌟🌟🌟'. An 'Open Work' button is at the bottom. The second card is titled 'UK Countries' with the question: 'Can you match the labels to the countries?'. It shows a student's submission with feedback: 'I have finished!' and 'Fantastic work! You have identified all of the countries 🌟🌟'. An 'Open Work' button is at the bottom. The third card is titled 'Union Flag Painting' with the question: 'Can you paint your own Union Flag?'. It shows a student's submission with feedback: 'I have finished!'. An 'Open Work' button is at the bottom. A red arrow points from the 'Open Work' button in the first card to the text below.

Beneath the completed activities sent to the teacher, you can see the feedback and marking including praise and next steps for each piece of work that has been submitted.

If any changes are needed, this will be indicated by the teacher. You can click 'Open Work' and make and adjustments if required.
