

How to access online tasks, activities and learning programmes in Purple Mash.

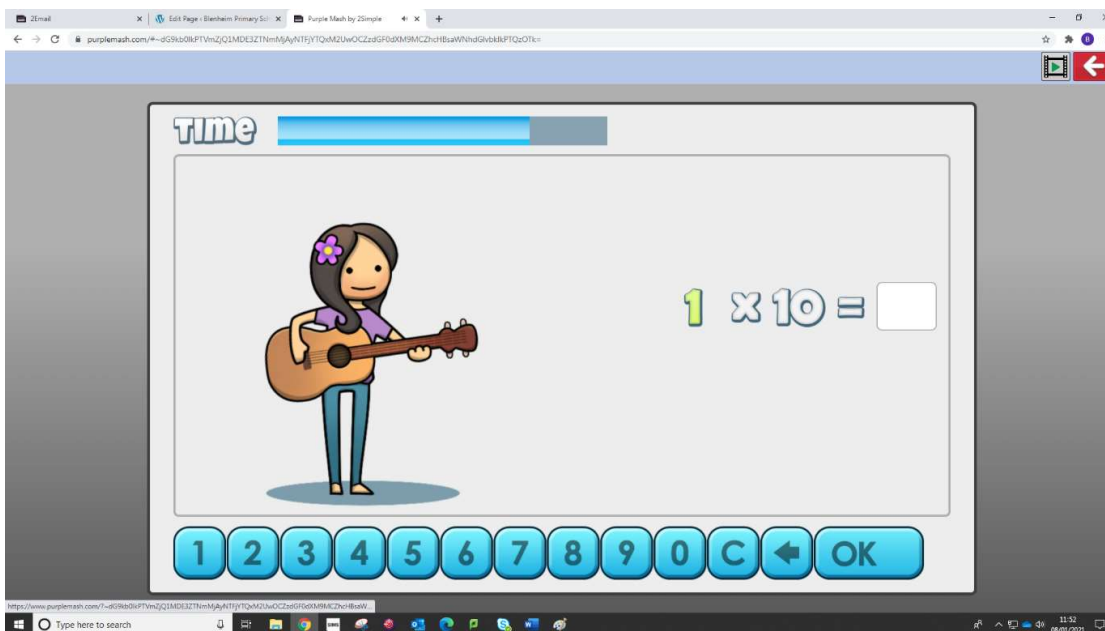

1. Login to Purple Mash from the school website (see other 'How to Guide' if unsure)
2. Click on the red **2Dos** button.

Often, these activities have a 'Start' button as shown below.

3. Click start.

Depending on the interactive activity or learning programme, you will have options to input numbers, words or sentences by using your keyboard or using an on-screen keyboard.

Upon completion of the activity or task, your answers and/or work will be sent to your teacher for marking and feedback.
